Information for Parents

Students are required to participate in an educational program that satisfies the requirements of the Western Australian Curriculum. The school, in consultation with the School Board, determines the level of contributions and charges requested of parents for the education of their children.

In this booklet you will find details of the following:

- Voluntary Contributions. These will not exceed $235.00 per student in years 7 - 10.
- Charges for students in years 11 and 12 for which payment is compulsory.
- Charges for elective subjects in years 7, 8, 9 and 10 for which payment is compulsory. Please note elective subjects with a value of $50.00 and above are deemed high-cost electives and payment must be made by the end of Term 1 if a payment plan is not already in place.
- Extra cost optional components where payment is compulsory if a student chooses to participate. A detailed list of possible extra costs associated with the delivery of a particular subject your student may have chosen - these events may not necessarily occur. If your student **chooses** to participate, payment is compulsory and will need to be made prior to the event taking place.
- Voluntary Approved Requests where payment is voluntary.
- Other Optional costs.

The financial support of our parents/carers plays an important role in the provision of resources that extend the school's capacity to add value to a student's learning experience.

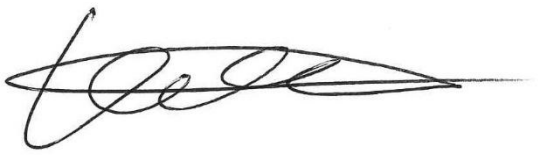

Voluntary contributions and compulsory charges paid by parents and carers are used to purchase textbooks, materials and other resources used by students in their everyday classes. 100% of these funds go directly back into your child's education at the classroom level.

For families who are unable to pay the full amount of their child's Contributions and Charges in one instalment, payment plans are available and are easy to establish. I encourage you to please contact the Finance Office on 6821 1735 to discuss an option that will suit you.

Information regarding the Secondary Assistance Scheme will be sent to families with their individual Contribution and Charge sheets at the end of November.

If you have any questions regarding your student's Contributions and Charges, please don't hesitate to contact me.

Kind regards

Trent Di Salvo
Manager, Corporate Services
