Albany Senior High School

Dress Code - at a glance

The overwhelming majority of our students already meet our Dress Code every day and represent Albany Senior High School with pride. These updates do not significantly change our expectations. Instead, they provide clearer guidance in a small number of areas to ensure the Dress Code is applied consistently and fairly for all students.

Area	Clarification
Outerwear	Approved **ASHS jumpers and jackets** are preferred. Plain green for non-school outerwear is also permitted where logos are absent or small and discreet. Other colours and prominent branding are not permitted.
Footwear	Footwear must be **securely attached to the foot** and appropriate for a school environment. Crocs (& similar) are not permitted. Steel-capped boots may only be worn where required for practical classes.
Physical Education clothing	PE clothing should be **suitable for physical activity.** Lightweight, breathable clothing is expected.
Logos and branding	This applies only to non-uniform clothing that is otherwise Dress Code compliant (for example, plain black pants or plain green outerwear). Logos should be absent or **small and discreet**. Clothing with large or prominent branding is not permitted.
Appropriate coverage	Clothing should provide **appropriate coverage** and be suitable for a school learning environment.
Dress Code Passes	No change. If your child is temporarily unable to meet the Dress Code, please let the school know. **Dress Code Passes** remain available where appropriate.
Behaviour process	Students who do not meet the Dress Code without a reasonable explanation will receive a Dress Code Pass entry. Once a student reaches **three Dress Code Pass entries**, Student Services will contact parents/carers to discuss any barriers to compliance and identify appropriate supports.

What hasn't changed? For the overwhelming majority of students, nothing.
These updates simply clarify the expectations that already exist so that students, families and staff all have a shared understanding of the School Dress Code.
