How To: Submit your child's work for a Learning Task

If you are required to assist your child in submitting work online for a Learning Task, you can do so by going to their 'Learning Task' tab and clicking the title of the applicable task. This can be done via their student login, or from within your parent portal.

When in the task, click 'Create Submission'. If you don't see this option, it means online submission has not been enabled for this task; please contact the teacher for further assistance.

The screenshot shows a web application window titled "Learning Task - CAT 1: Benefits of Physical Activity". It has two tabs: "Task Details" and "Feedback". The "Task Details" tab is active, displaying the following information:

- Name:** CAT 1: Benefits of Physical Activity
- Due Date:**
- Online Submission Enabled:** Yes

Below this information, a text box states: "Students will present the social, physical and emotional benefits of physical activity to their peers in the form of an oral presentation."

On the right side, there is a "File Upload | Not-submitted" section. It features a "+ Create Submission" button, which is highlighted with a red rectangle. Below this is a table with two columns: "Filename" and "Submitted". The table is currently empty, and a message below it says "You have not submitted any items yet".

Select the file you want to upload from your device, it will then show as a submitted file. You can click the little disk/arrow icon next to the file to download it if at a later date you want to view it.

This screenshot shows the same web application window as the previous one, but now the "File Upload | Submitted on time" section is highlighted in green. The "+ Create Submission" button is still present. The table below it now contains one entry:

Filename	Submitted
Submitted work.pdf	17/08 03:13 PM

A small download icon (a green arrow pointing down) is visible next to the filename "Submitted work.pdf". The rest of the interface, including the task details and the "Feedback" tab, remains the same.

How To: Top up your child's Canteen Balance

For students using their Compass Student ID card to place canteen orders or purchase ad-hoc at the canteen, parents can top-up the child's card balance.

To do so, go to the cog icon in the top right of your portal and select 'Wallet'.

On the Wallet page, click the child whose balance you want to top up. You will see their existing balance and two top up options, one to set up an automatic regular top up and another for a once-off top up.

Before proceeding with any top up, ensure you have selected the correct child from the left hand side list of users whose balance you want to top up.

To set up a regular automatic top up, click that option. It will expand to show the possible selections. Choose the card you want to be debited with the automatic top-ups.

Set the minimum Compass balance to trigger the top-up for your child (i.e. when their balance reaches \$10, a top up payment will trigger).

Then set the top-up amount that is to occur (i.e. when their balance reaches \$10, top up with a \$40 payment).

Once you have made your setting selections, click 'Enable automatic top-up' and the automated system for that child's card will be in place.

The screenshot shows the Compass app interface. On the left, a sidebar lists users: Euan ABERCROMBIE (\$0.00) and Stephen CORNFOOT (\$0.00). Below the list is a 'Payment methods' section showing a Visa Credit card ending in 9333, and a '+ Link a credit card' option. The main area displays 'Euan Compass Balance' as \$0.00 Available. A star icon and the text 'Set up automatic top up for Euan's account' are visible. A modal window is open for configuration. It shows the selected card 'Visa Credit ****9333'. Under 'Select minimum Compass balance to trigger automatic top up', the \$10 option is selected. Under 'Select automatic top up amount', the \$40 option is selected. At the bottom of the modal, the 'Enable automatic top up for Euan's account' button is highlighted with a red rectangle. Below the modal, a 'Close' button is visible. A note at the bottom states: 'An automatic top up will occur at any time after your balance falls below the minimum amount (\$10) selected above.'

If you ever need to remove the automatic top up, click 'Automatic top is enabled' and it will expand to show the details. You will then have access to click the 'Remove automatic top up' red button.

The screenshot shows the 'Wallet' section of the Compass app. On the left, a sidebar lists accounts: Sable BROOKS (\$0.00), Euan ABERCROMBIE (\$0.00), and Stephen CORNFOOT (\$0.00). Below this is the 'Payment methods' section, showing a Visa Credit card ending in 9333. The main area displays 'Euan Compass Balance \$0.00 Available'. A star icon indicates 'Automatic top is enabled for Euan's account'. A modal dialog is open, showing the selected card and a message: 'Compass is currently configured to automatically top up Euan's balance by \$40 when Euan's Compass balance falls below \$10.' The dialog contains a red button labeled 'Remove automatic top up of Euan's balance' and a 'Close' link. At the bottom of the dialog, it states: 'An automatic top up will occur at any time after your balance falls below the minimum threshold of \$10.'

To simply do a once of top-up, click 'Top up account now (once off)'. It will expand and you can select the card to be debited and also the top up amount. Click 'Confirm Payment of \$ to account' to process.

This screenshot shows the same 'Wallet' section, but the 'Automatic top is enabled' dialog is replaced by a 'Top up Euan's account now (once off)' dialog. The dialog shows the selected Visa Credit card and a 'Select an amount' section with buttons for \$10, \$20 (selected), \$40, \$60, \$80, and \$100. Below these is an 'Another amount?' link and a blue button labeled 'Confirm payment of \$20 to Euan's account'.
