

P&C Fact or Fiction?

"The P&C can survive without volunteers"

Fiction!

Without the work of volunteer parents and citizens, there would be no canteen or extra funds to benefit our children.

"I should bring energy drinks to the meetings!"

Fiction!

You won't need them! Our meetings only go for an hour - our motto is 'get in, get it done, get out!' We're all busy parents!

"Someone is going to ask me to do something!"

Fact!

The time commitment you give is always up to you! Of course, there are roles to fill within any committee, but it is just as important that we have members at meetings to help make decisions.

Our P&C

We do not fundraise or manage events. Our income comes from voluntary contributions & grant funding.

We have an active voice in our school community via consultation processes at our P&C meetings, seats on internal committees and submission of WACSSO agenda items.

Our most recent funding includes: outdoor seating, washer/dryer for sports uniforms, radioactive, all year level awards and programs to encourage sustainability and student awards. We constantly seek feedback from students & the school community on where to spend our funds. Come along to our next meeting and have your say!

Come along to a meeting and see for yourself what our P&C is all about.

"The P&C makes the rules as they see fit"

Fiction!

A P&C is a legally recognised Association. They have a set of rules they must follow called a constitution. Ask for a copy!

"The P&C is run by a clique who boss everyone around and exclude people"

Fact and Fiction!

There are certainly some P&Cs out there that may do that, but if yours did, would it be handing out this flyer?

"If I take on a role such as Treasurer or Secretary, I won't have any support"

Fiction!

You'll have support from current members and from WACSSO.

WACSSO has councillors and staff to help you.

WACSSO also offer FREE training sessions.

You don't have to take on a role now, but perhaps as you become more experienced and comfortable with your P&C you'll consider it!

" Volunteers may not have the time, but they definitely have the heart! "

I'm a 2-hour-Vower!

Why is a P&C so important?

Parents and Citizens (P&C) Associations have been recognised in WA legislation for a century.

P&Cs are held at a very high level of regard in the WA Community.

The goals of P&Cs are:

- to foster strong relationships between the school and the community
- to help provide resources for the school, and
- to promote interest in educational matters.

Meeting these goals is a great challenge for all Parents and Citizens in Western Australia!
