SPECIAL CLOTHING OR OTHER ITEMS REQUIRED:

Students must be in PE uniform. Students will need to provide their own lunch, hat, water bottle, and wear appropriate footwear.

NOTE:

Staff accompanying students on excursions will take all reasonable care while students are in their charge to protect them from injury and to control and supervise their behaviour and activities. Parents/guardians should be aware that, generally, the Department and its staff members are only responsible for injuries or damage to property which has been caused by the negligence of staff.

However, the Department of Education does have limited personal accident cover for students on approved camps/excursions which include an overnight stay. This insurance covers the 'gap' costs over and above what is paid by Medicare or the student's private health insurer up to a prescribed capped amount. The policy covers students to a maximum of \$50,000 for medical and ancillary expenses where Medicare or private health insurance does not cover these costs.

Parents are required to inform the organisers well before the scheduled excursion departure of any change to their child's health and fitness so that appropriate supervision may be arranged.

Where it is considered necessary, school staff will arrange medical assessment and treatment for students.
