## NEWSLETTER

VOLUME 1 – 1 March 2019

## FROM THE PRINCIPAL

### Welcome to 2019

This is going to be a great year! After turning 100 last year and sharing in the stories of the thousands of people that have been through the doors at ASHS, it's been made clear that every year at school, has the potential to create the memories of a lifetime. We each need to work to ensure these memories are the best ones we can make. I am confident, that as a community, we will achieve that.

### New staff

2019 welcomes new staff to ASHS. Firstly, a warm welcome to Mr Wayne Austin, joining us in the Deputy Principal Lower School position. Wayne joins us as an experienced leader, most recently having held the position of Deputy Principal at Denmark Senior High School. Also experienced, Roger Hey has taken the helm, leading the Arts Learning Area and Jason Seal has commenced in the new position of Program Coordinator – Student Services 7-9. This role complements the Program Coordinator Student Services 10-12 role, each leading their respective year coordinators to support our students.

Wayne Austin.....	Deputy Principal – Lower School
Roger Hey.....	Head of Learning Area – The Arts
Jason Seal.....	Program Coordinator Student Services – Lower School
Gillian Brady.....	Marine Science
Jayne Irvine.....	Home Economics
Bianca Downham.....	Home Economics
Katie Maris.....	Humanities and Social Sciences
Meggie McKeague.....	Health and Physical Education
Nicole Newton.....	Health and Physical Education and Workplace Learning
Trudy Romano.....	Mathematics
Brent Parkin.....	Mathematics
Sophia Van Gent.....	Arts – Media
Simon Wilson.....	Indonesian
Shaiye Young.....	English
Leanne McLaughlin.....	English

### Contacting school

ASHS is a big school with just over 1000 students in 2019. Don't let that put you off being in touch! In most instances, parents and guardians will make contact with class teachers of specific subjects, where there may be subject concerns or queries about curriculum, pathways or class homework. In instances of student support, wellbeing or social concerns, the first contact is the year coordinator for your child's year group.

CONNECT is a great way to contact teachers, in addition to monitoring your child's attendance and progress at school. Teachers all place their course outlines on CONNECT, with many making use of the additional features that support student learning. The benefit of CONNECT is that material is available 24/7 and it can be revisited over time.

### Review of Type A Children's crossing: Lockyer Ave near Moir Street

Road safety is an ongoing concern for our community, both in terms of students as pedestrians and students as young drivers. I have recently received correspondence regarding a review of the crossing outlined above. Student pedestrians are encouraged to use the facility, so that a true picture of the school community's needs can be gathered. On completion of the review, a report will be forwarded to the Children's Crossings and Road Safety Committee for their considerations and recommendations.

### Success

By the time the first newsletter is published, ASHS will have recognised outstanding achievement from 2018 at our annual awards assembly in Week 3. A key message I wanted to highlight was that these achievements didn't happen overnight, nor are they the only achievements of 2018.

Celebrating achievements, big and small is important. It's the small steps taken consistently, that produces the big achievements and as the 2019 school year commences, I encourage us all, to take small, but persistent steps towards our goals.

I look forward to hearing of your successes this year!

## FROM THE DEPUTIES

### OLNA 5 to 29 March

Some students in Years 10, 11 and 12 are about to sit the OLNA. OLNA stands for Online Literacy and Numeracy Assessment, which some students will use to demonstrate they have achieved the required standard of literacy and numeracy for their Western Australian Certificate of Education (WACE). The School Curriculum and Standards Authority (SCSA) awards the WACE at the end of Year 12 to students who have met all the requirements. You can find more about the requirements on the SCSA website [www.scsa.wa.edu.au](http://www.scsa.wa.edu.au).

Some students prequalify for the literacy and numeracy requirement through their performance in the Year 9 NAPLAN test. We will inform you whether your child needs to sit the OLNA, which is held in March and September each year, starting in Year 10. This means students will have up to six opportunities before the end of Year 12 to demonstrate the standard.

The OLNA has three components – reading, writing and numeracy.

To prepare our students for the sorts of questions they can expect and to familiarise them with the online software, we provide access to practice and example tests on a secure website. The link to the secure website for practice and example tests is available on the SCSA website. [www.scsa.wa.edu.au](http://www.scsa.wa.edu.au) under Senior Secondary>Online Literacy and Numeracy Assessment>Students, parents and carers.

For students with disability, we have guidelines to help set the appropriate adjustments for equal access. For more information, visit the SCSA website. Emails can also be sent with questions to [olna@scsa.wa.edu.au](mailto:olna@scsa.wa.edu.au).

### School Photos

Photographers will be in attendance at ASHS on March 18, 20 and 21. Individual photos will be taken on March 18 and groups on March 20.

Envelopes containing ordering and pricing information will be distributed to students in the next few days. All students are required to return the envelope to the photographer when they have their individual photo taken, whether they are placing an order or not.

All students are reminded to wear full school uniform.

### Response to enquiries about BYOD (Bring your own device)

For the 2019 school year, ASHS is encouraging all students to BYOD! Whilst it is not compulsory for students to bring their own device (BYOD), it is highly recommended and encouraged as maintaining and upgrading computers at the school level is becoming more and more difficult. Some specialist areas of the school will continue to have appropriate hardware and software for curriculum delivery, however supplying a high level of ICT across the whole school is no longer achievable.

In this digital age, it is vital that students become adept and competent using information technology. ASHS recognises the need to prepare students for a rapidly changing world where technology plays an increasing role in people's everyday lives. Personal devices are a vital part of many different career pathways and ASHS believe that students need to develop skills in using these personal devices with skill. There are many devices within a range of prices which are suitable for connection to the school network and use at school. Details can be obtained from the accounts office or from the BYOD policy document available on the school's website. Students who do not BYOD will be provided with alternative educational activities. Where possible, a school laptop will be made available however parents and students should be aware that these are not always available and the time required to obtain and log on to these devices may affect student achievement and can result in work needing to be completed at home. By engaging in the BYOD program, students are assured of their ability to access the internet and engage in their curriculum easily.

### Connect - [www.connect.wa.edu.au](http://www.connect.wa.edu.au)

Connect is the Education Department's portal for communication with students and parents. Connect has been implemented as a teaching resource at ASHS, with staff using it to upload teaching related content. Parents and students can access course outlines and assessment schedules, with many teachers also placing their assessment tasks and other learning items (e.g. readings, web pages etc), that relate to the courses they are delivering. Parents can use Connect to contact the teachers of their children. At times teachers may also have their marks books available online, so parents can see the progress of their child.

If you do not have a log in to access Connect, please contact the school for one to be emailed to you.

### Early Close – Wednesday 3 April 2019

There will be a Parent/Teacher Meeting night taking place on Wednesday 3 April following initial progress reports being sent to families. To allow time to meet with parents, the school will close at the end of period 4. Interviews with staff will commence from 1.30 pm. The Parent Teacher Online (PTO) booking system will open from 29 March with the link being available on our website from then. Further information will be forwarded to families closer to the date.

## Attendance

Regular student attendance is vital for learning, as is keeping accurate attendance records. If your student is absent from school, please SMS, ring or send in a note as soon as possible. Many parents find the SMS system the easiest as it is portable and can be done on the day the student is sick.

- SMS (Text only) 0400 204 440
- Phone 9841 0419 or 9841 0417
- Email: [albany.shs.enquiries@education.wa.edu.au](mailto:albany.shs.enquiries@education.wa.edu.au)

When your child is absent, a reason must be recorded against their name.

## Parent Meetings and Student Collection

Visitors are reminded that when they visit the school for any reason, they are required to sign in at the front administration office. If you have an appointment with staff from Student Services, you will be asked to wait in the front office and called when the person you are meeting is available. If are picking up your child for an appointment or if they are unwell, please also go the administration office, sign in and then proceed to Student Services to collect your child.

Please do not come directly to Student Services.

## Let's Take a Stand Together

The Department of Education has released a new statement relating to safety at schools, recognising that every student, staff member and teacher has the right to feel safe at school. Some key points of this plan include:

- Students who attack other students or instigate fights must be suspended.
- Students who film fights (rather than seeking help) must be suspended.
- Students who physically attack school staff will be excluded.
- School's must have a Good Standing policy.

More information on this statement can be found at the Department of Education's website:

[www.education.wa.edu.au](http://www.education.wa.edu.au).

The ASHS Good Standing Policy is available on our school website: [www.albanyshs.wa.edu.au](http://www.albanyshs.wa.edu.au). All students commence each term with Good Standing. When a student has Good Standing they:

- demonstrate pride by wearing school uniform
- achieve to their potential by handing in all work and meeting deadlines
- respect themselves and others through appropriate behaviour, including mobile phone use, appropriate use of ICT and language towards others.
- are responsible by attending regularly and *on time* (90% or higher)

## A Final Word

Congratulations and well done to all students who have made a terrific start to term. We note that teachers have been sending home 'Goldies' (Letters of Commendation) to students in recognition of their efforts and achievement – keep up the excellent work! The Student Services team is also planning some new initiatives to acknowledge and reward student behaviour, which will be implemented over the coming weeks.

If you have any questions or concerns and would like to speak to someone in Student Services, please contact ASHS on 9841 0444.

Starting at 5.15 pm

Being held in the ASHS Staff Room

## CHAPLAIN'S CORNER

### We're making Lunch Great Again!

What a wonderful start to the year we've had at ASHS. Students have been settling in and our lunch time clubs have begun. We have a variety of lunch time club's students can participate in which range from Drama, Drawing, Knitting, Chess, Origami, Speech and Debate, and even Pokemon. Clubs are free and offer students and opportunity to get involved, learn a new skill, and most importantly make new connections.

A new club offered this year is Kitchen/Garden as we work towards installing a student run garden near the Gym. We are in need of a few items if you would like to put forth a donation – new or gently loved garden gloves, trowels, shovels, tomato plant stands, leftover timber for garden boxes. We are hoping to plant a variety of veggies and herbs and look forward to watching it grow!

Thank you for your continued support and we look forward to making lunch great again!!!

## ALBANY FOLLOW THE DREAM

Follow the Dream is a state-wide program aimed at nurturing high achieving indigenous secondary students who show a keen interest in achieving academic excellence and in pursuing their career aspirations.

For students to be eligible to join Follow the Dream they must exhibit:

- Exemplary behaviour
- Excellent school attendance (ideally 90% or better)
- And be achieving well academically (ideally C grades or higher in Maths, English, Science and HASS subjects)

Follow the Dream students typically graduate from Year Twelve and undertake tertiary study, further training or meaningful employment.

The program offers students tutoring after school and all students have a personalised learning and career plan.

Students have access to a variety of guest speakers, excursions and camps that aim to increase students' knowledge of culture, career options and also assist with personal development. Where possible, these opportunities are conducted out of school hours.

# P&C NEWS

## CANTEEN and TERRACYCLING

The P&C are ready to serve the school community in 2019 to the best of our ability with a food service that meets the needs of the students and staff of ASHS. We are also delighted to be able to continue to support the student leaders with terracycling in conjunction with the City of Albany and the introduction of classroom paper recycling. ASHS P&C would like to thank Bunnings for their generous support for the Student Leader's paper recycling initiative. Please stay tuned for the launch.

## P&C AGM

The P&C would like to thank everyone who attended the Annual General Meeting on Tuesday night. All positions were declared open and we would like to thank those people who accepted office bearer and sub-committee member positions.

We need to acknowledge the outgoing office bearers and especially thankful to Rick Harris, who is now leaving our committee after being treasurer for five years. We still have the position of Canteen Coordinator open and would welcome any expressions of interest.

The new office bearers are as follows:

President:	Naomi Boccamazzo
Vice President:	Julie Brooks
Secretary:	Nevanne Castellaro
Treasurer:	Cheryl Ward

Please feel free to contact the P&C via email: [ashs.pandc@gmail.com](mailto:ashs.pandc@gmail.com) with any questions.

## YEAR 7 and 8 SCHOOL VACCINATION PROGRAM

Delivering a **Healthy WA**

Government of **Western Australia**  
Department of **Health**

The 2019 WA School Based Immunisation Program will be offered at your school by the local community school health immunisation nurses.

These vaccinations are offered free to all year 7 and 8 students.

A 2 dose course of Human Papilloma Virus (HPV) vaccine to be given in terms 1 and 4

One dose of diphtheria-tetanus-pertussis vaccine (whooping cough) given in term 1

These vaccines will be offered over 2 visits. Vaccination consent forms will be sent home with students early in term 1 2019. Parents/legal guardians are asked to complete and sign the forms and return them to the school. Even if you are not consenting to your child receiving the vaccines, please return the form.

If you do not receive a vaccination consent form for your child, please ask at the school office for one.

**Please return all immunisation forms to school as soon as possible for checking.**

If you have any queries regarding the immunisation program please contact me on 9842 7526.

If your child is not vaccinated at school they can come to our immunisation clinic at the Albany Health Campus. No cost is involved. Phone 9892 2499 for an appointment.

# THE ARTS DEPARTMENT

## Year 8 Visual Arts

The Year 8 students have made a commendable start to their Visual Arts course by bravely tackling landscapes. After some lessons focused on creating an illusion of depth and space, perspective and colour, the students had a go at drawing a landscape using chalk pastels. This can be a challenging and messy medium, however, everyone has really tried hard to focus and apply new techniques...here are some of the more finished works so far!

## Simon Mayo visit

Veteran BBC broadcaster and author Simon Mayo recently visited ASHS and met with year 10 and 11 English students. He spoke at length about the creative process that he went through writing *Itch*; currently being made into a TV series in Albany. Hearing how a successful author works to construct character and setting, among other things, was of great benefit to students who will need to deal with these things in exams. He was also, of course, a very engaging speaker.

# COMMUNITY NOTICES

PRIME MINISTER

MINISTER FOR EDUCATION

Dear parents, carers and the school community,

Keeping our children safe is a shared responsibility. Schools, governments at all levels, the Australian community and, first and foremost, parents take this obligation seriously.

As parents, we know that it can be challenging to raise children today in a world where risks to safety can appear not only on the street but online. And it is not always easy to navigate when the online world can have real world physical and mental health impacts.

That is why our Government has developed resources to empower parents (and schools) to protect children and prepare them to be resilient, responsible and respectful adults:

- [www.esafety.gov.au](http://www.esafety.gov.au) – resources that promote online safety including tackling image-based abuse and a complaints service for young Australians who experience serious cyberbullying.
- [www.studentwellbeinghub.edu.au](http://www.studentwellbeinghub.edu.au) – support for students, parents and teachers to create a learning environment that promotes student wellbeing and the development of respectful relationships.

You can also visit [www.bullyingnowav.gov.au](http://www.bullyingnowav.gov.au) for education and advice for kids, parents and schools on how to combat and respond to bullying.

Whatever age your kids, it is never too late to make changes to improve their welfare. With the fresh start that a new school year brings we encourage you to use these resources for practical advice on keeping your family safe and well through the year.

Yours sincerely
