

# ALBANY SENIOR HIGH SCHOOL

## NEWSLETTER

VOLUME 8 - DECEMBER 2018

### FROM THE PRINCIPAL

As the Centenary year for ASHS is rapidly drawing to a close, there is both much to celebrate and much to do in our final weeks. Thank you to all our parents and guardians for your support of the students and school over the past year, especially in the payment of contributions and charges. It has been another busy year with many highlights for staff and students. As we come to the end of the year, we sadly farewell our graduating class and some staff members. The highlights of the Awards night are celebrated further in the newsletter, with a list of our award winners. The class of 2018 are a credit to themselves, their families, and the school and we wish them well for the future.

Throughout the year we have celebrated many achievements, from turning 100 as a school, to recognising the many varied ways in which our students achieve academically, through leadership and in pursuit of interests and skills beyond school. Our recent Community Achievers afternoon tea highlighted to me that ASHS students achieve through grasping opportunities as they arise and not quitting when it gets tough. Congratulations to those students recognised at this time, in addition to Emma Pedretti, in recognition of her nomination for secondary teacher of the year.

At the end of each year, teachers are in the process of reflecting on what worked during the year, and how to improve for the following year, with much time already being invested in planning for 2019. Our senior school students, while they have left, will be going through a similar process as they reflect upon their performance this year, in anticipation of their goals and courses for the next year. Soon, parents and students of years 7-10 will also receive their reports, and I encourage a simple, yet similar approach for all students in these years. Our reports give a range of information about our students, and each child is different. Look at attendance, the learning behaviours and comments, in addition to the grades, to focus on what went well, and identify areas for growth next year. Then think about what might be needed to improve and identify the steps you would need to take to make that happen. Be realistic; break it down into achievable goals. The task for next year is to put your plan into action!

Reflections propel us forward, and 2019 will bring new opportunities for us to grasp and through which, to grow! The Bring Your Own Device (BYOD) initiative is being re-energised in 2019, with the specifications going to all students and the item being listed on booklists for each year group. The benefits of students having their own computer for use at school and home are numerous. Of all the benefits, I think student familiarity with their own device is significant. With increasing trends to use technology in our workplaces, it is obvious that we need to be equipping students with the skills to use technology skillfully and appropriately. 2019 will see our students conduct NAPLAN Online in addition to teaching and learning programs being enhanced through CONNECT, which provides 24/7 access to learning content. The school specifications are provided so that families buy a device that will run on the school network and perform the tasks required of them, for as long as possible. It is an additional cost, but as I am reminded, they are often cheaper than the mobile phones many of us have. In time, the use of BYODs will lead to opportunities for us to be able to provide online text subscriptions and other learning experiences that might end up saving costs.

To all of our families, I would like to wish you all a safe and enjoyable holiday.

**Sara Garcia Perlines**  
**ACTING PRINCIPAL**

# STUDENT SERVICES

I would like to start with a huge thank you to the 2018 Student Services Team. The year coordinators have done a wonderful job throughout the year working with their student leaders and their year groups as a whole. Bree Crockett (Psychologist), Jennifer Wingard (Chaplain) and Helen Perry (Nurse) have been a great asset to Student Services and have provided much-needed support to many students.

We also bid farewell to David McComb (Program Coordinator – Engagement) who will be leaving ASHS at the end of 2018 and wish him all the best at NASHS next year.

## Attendance

With the year drawing to a close, a reminder that school doesn't officially finish for students in Years 7-10 until Thursday 13 December, and students are required to be at school until this date. We are in the process of clearing unexplained absences from throughout the year, and I request parents please respond to correspondence received in regards to your child's attendance as soon as possible. Should a student be absent for three or more consecutive days, a medical certificate is required.

If your son/daughter is not returning to ASHS in 2019, please contact ASHS on 9841 0444 as soon as possible.

## End of Year Activities

*Activity Day* will be run on Wednesday 12 December and is an excellent opportunity for students to participate in a variety of activities run by their teachers. On offer this year include a variety of activities both onsite at ASHS and offsite. Students were requested to collect their forms and register for the activities they would like to do from the Science Room 38 during Week 8. Signed forms and payment to confirm their participation in their chosen activity will be collected on Wednesday 5 and Thursday 6 December at lunchtimes only, again in Room 38.

*The Cosy Corner Beach Picnic Day* this year will be held on Thursday 13 December. Please remember to return your permission forms along with the \$9.00 payment for this event by Friday 7 December.

## Transition 2018

Students from our feeder Primary Schools have recently been visiting ASHS and participating in their transition program. Each of the schools have had two days to familiarise themselves with high school life and have spent some time with their own primary school teachers and also time participating in lessons delivered by ASHS teachers. The final transition day will occur on Friday 30 November at which time students will be placed into their form groups and take part in various activities in these groups throughout the day.

We hope that our future Year 7 students have enjoyed their transition program and are looking forward to attending high school next year.

## Year 12

We officially farewelled our Class of 2018 at the Awards evening held on 15 November. It was great to see all the students come together one last time as a group. Congratulations to all the award recipients. I would like to thank the students who contributed to the evening with performances. Thank you to all the staff who worked so hard to ensure the smooth running of the evening and to the local community members who provided donations towards the awards of the evening.

**Ms Dianne Heinrich**  
**PROGRAM COORDINATOR**

## Year 11

### 2019 Subject Selections

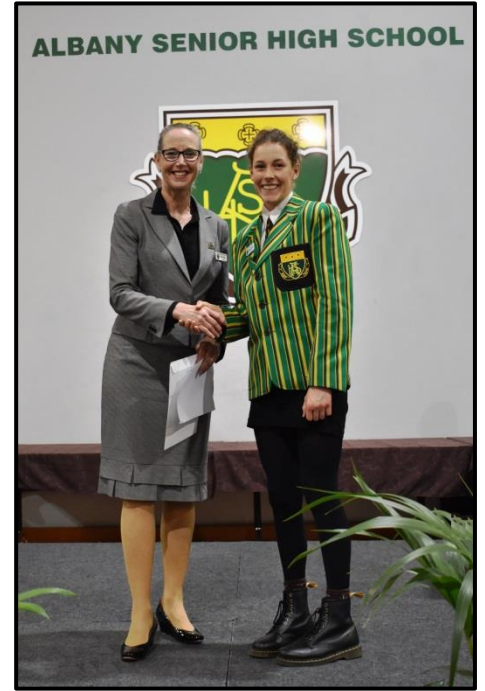

It is not too late to change your subjects for next year. If you have not achieved satisfactory grades in ATAR courses, you may be counselled to reselect a more suitable pathway for next year. Should you wish to make a change, please contact the school office to make an appointment.

The year is over for Year 11s, and students have had a busy and successful year. The prefects have been busy designing and organising the leavers' jackets (please see Connect for the link to order your jacket) and planning the School Ball, which will take place at the end of Term One 2019, Saturday 6 April. I look forward to seeing students in 2019, fresh and ready for another busy year.

**Mrs Findlay**  
**YEAR COORDINATOR**

Academic Dux	Bryce Taylor

# COMMUNITY ACHIEVERS 2018

During Week 6, the achievements of many students were celebrated at a Community Achievers afternoon tea. It is tremendous the broad number of ways in which our students achieve, both in the classroom, and well beyond it too. A recurring theme was evident amongst all of those recognised; they seized an opportunity, and in some cases persisted through discomfort, to attain their goal. Credit to all involved. They didn't need to do that bit extra, but they did, and the rewards were varied, significant and personal!

**Sara Garcia Perlines**  
**ACTING PRINCIPAL**

## Community Achievers

Full Name	Year	Event
Kyle Taylor	10	Selected in the Country WA Soccer team touring Singapore 2-9 November 2018
Dorian Bretherton	11	Represented WA Junior boys polocrosse team at Nationals in Perth - October

## P&C NEWS

### ASHS Snack Shack

The ASHS P&C would like to inform the ASHS community that in 2019 the canteen will be opening with a new name "**ASHS Snack Shack**"! The ASHS Snack Shack will be under new management and will also have a new menu. We look forward to being of service to you.

### Position Available – Canteen Manager

ASHS P&C Association is seeking a friendly and enthusiastic Canteen Manager to join our team. This is a permanent part-time position consisting of a minimum of 50 hours a fortnight. Applicants must enjoy working with young people and have a positive disposition. A full description and selection criteria is available from [president.ashspandc@gmail.com](mailto:president.ashspandc@gmail.com).

Applications close 5 pm Thursday 6 December 2018.

### Canteen CLOSED Week 10

The school canteen will be CLOSED for the whole of Week 10 this term (Monday 10 - Thursday 13 December 2018). This will allow for stocktake and preparation for the exciting Snack Shack opening in 2019. Please ensure you bring your own lunch, drinks and snacks during this time. We apologise for the inconvenience and thank you for your cooperation.

## YEAR 8 SCHOOL VACCINATION PROGRAM

Government of Western Australia  
Department of Health

Delivering a Healthy WA

The 2019 WA School Based Immunisation Program will be offered at your school by the local community school health immunisation nurses.

These vaccinations are free to all Year 8 students and will be undertaken in Terms 1 and 4.

The schedule is as follows:

Gardasil 9 is the new HPV (human papilloma virus) vaccination and will be given in a 2-dose schedule in Terms 1 and 4.

Diphtheria-tetanus-pertussis vaccine (whooping cough) will be given in Term 1.

Vaccination consent forms will be sent home with students. Parents/legal guardians are asked to complete and sign the forms and return them to the school. Even if you are not consenting to your child receiving the vaccines, please return the form.

If you do not receive a vaccination consent form for your child, please ask at the school office for one. An information pamphlet is included in the envelope. Immunisation forms are to be returned to school as soon as possible for checking.

Any queries regarding the immunisation program please contact Sally Moir on 9842 7526.

If your child is not vaccinated at school, they can come to our immunisation clinic at the Albany Health Campus. No cost is involved. Phone 9892 2499 for an appointment.

## Donations required

The Science Department is after old white bed sheets for use in experiments, please. If anyone can donate some, we would be very thankful. Donations can be left at the front office.

**Helen Barnett**  
**LABORATORY TECHNICIAN**

# MUSIC DEPARTMENT

## Music End of Year Concerts

The end of the school year sees the wind-up of all of our musical ensembles, farewelling Year 12 students, and celebrating our groups' achievements.

This year has seen our groups work with visiting artists, perform well at the Eisteddfod, perform the Centenary Concert, Radioactive, and play multiple other concerts and events across the year. End of year concerts are also the opportunity to grant awards in some groups, and to acknowledge the significant contribution of our Year 12s; some of whom have been playing their instrument for ten years.

We have had some wonderful final concerts this term, wrapping up the hard work done by staff and students together. The Concert Band played some memorable tunes including a mash-up of the James Bond and Batman themes. The Chamber Music Night featured all of the smaller instrumental ensembles as well as solos and duets played by some of our dedicated IMSS scholarship students. The Choir and vocal students put on a fabulous show, directed by our Pre-Service Teacher Ms Nola Formentin. Pop Band brought down the house, and the Guitar Ensemble and Orchestras serenaded the audience with their sweet sounds.

A big thank you to all of our dedicated music staff for guiding our students through another jam-packed year.

**Neville Talbot**

*Senior Guitar Ensemble  
with director Dan Mijat*

# THE ARTS DEPARTMENT

## Year 8 Visual Arts Story Paintings

Students this term have been applying inspiration from Indigenous artists, illustrators, and authors Sally Morgan and Bronwyn Bancroft to create interpretations of their own stories. Students learned to experiment with a variety of medium; watercolour, oil pastels, and posca pens to create textural effects and patterns to enhance their artworks.

## Year 9 Clayworks

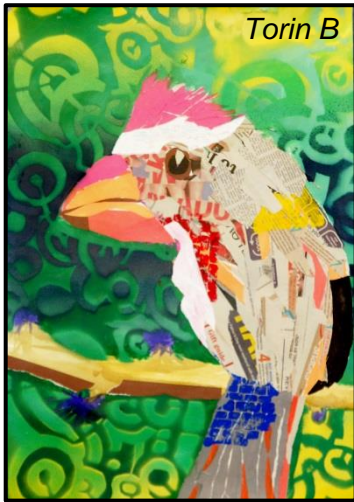

Clay works used inspiration from WA artist Amanda Shelsher to develop a bust sculpture from clay based on their memories and experiences. Students started from creating a visual brainstorm, then combining ceramic techniques used by Shelsher in her own art-making, and a variety of hand building techniques. Students transformed 2D design plans into a sculpture with stunning results.

## THE ARTS DEPARTMENT Continued...

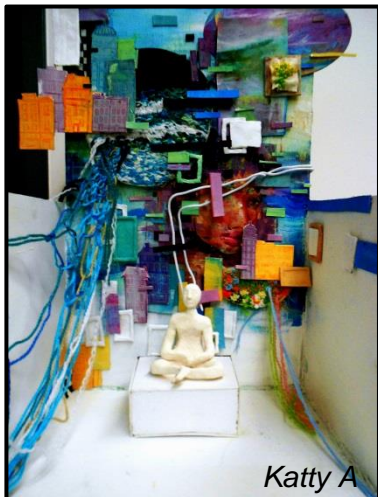

### Year 9 Visual Arts Bird Caricatures

Year 9 Visual Arts students created these bright and colourful interpretations of birds. Using a wide range of media, students painted, collaged, stencilled and spray-painted their birds to unify the artworks.

### Year 11 ATAR Visual Arts

The Year 11 ATAR Visual Arts students have created sculptures using the theme of Identities to develop their ideas, designs and final artwork. Students in Senior School are able to utilise materials best suited to the meaning/messages they are attempting to communicate; clay, collage, glass, embroidery, acrylic paint, papier mache.

## COMMUNITY NOTICES

### 2018 VISUAL EXTRAVAGANZA!

### Dental Therapy Centre

~ Opening hours during school holidays ~

#### Spencer Park Dental Therapy Centre

will be closed from Friday 21 December 2018 until  
Wednesday 23 January 2019.

If your child requires emergency dental treatment during this time please contact Albany General Dental Clinic on 9842 2211 from 8:15 am to 4:30 pm. For emergencies outside of these hours, please contact your own private dentist or Albany Regional Hospital on 9892 2222.

Your child will be eligible to attend a Dental Therapy Centre from ages 5 to 17.

If you no longer wish to use our service please let us know as soon as possible as your valuable appointment could be taken up by someone else.

All appointments are now sent to your home address. If you have moved in the last few years we may not have your correct address and your child could miss out on their check-up, please contact us to update your details either by phone:

9841 3967 or e-mail:

[spencerparkdtc@dental.health.wa.gov.au](mailto:spencerparkdtc@dental.health.wa.gov.au)

Dental Therapy Staff wish you a Merry Christmas and a Safe and Happy New Year!

# ASHS IS Recycling!

ASHS is in partnership with TerraCycle to reduce our plastic waste

You can find more Information on the TerraCycle Website

[www.terracycle.com](http://www.terracycle.com)

Help us reduce our impact on the environment

Bring in your **empty** beauty products, oral care, contact lenses and Australia Post Satchels and bring them to Student Services

TerraCycle takes our plastics and recycles them, in return for tokens which we donate to charity
